OPERATION 100 TO MEET CHALLENGE OF CHICAGO HIGH SCHOOL BOYS

SHOWANDO DESIGNED TO AID TROOP LEADERS

The Second Annual Boy Scout Leaders' Showando will be held Saturday, June 6, 9:00 a.m. to 9:00 p.m. at the Valley View Training Center, 6240 South County Line Road in Hinsdale. The \$2.00 per person cost covers all materials, the evening meal and beverages for lunch. Scoutmasters, troop committeemen and patrol dads planning to attend should bring their own lunch.

Richard Sanders, Chairman of the Council Showando Committee, explained that the Showando is 10 hours of team work where adults are organized into 8 man patrols and have the opportunity to observe then try Boy Scout skills which they are expected to teach to the boy members of their units.

Nearly 600 have already signed up for the one day course. Some additional reservations can be made by sending \$2.00 to the Scout Service Center at 300 West Adams Street, Chicago, Illinois 60606.

WEBELOS USE CAMP FACILITIES

One of the many advantages of the Chicago Area Council's Near-in Camp system is its availability for use by all units. Assistant Cubmaster Jack Corts of Lincoln Park district is shown above with Cub Scouts Robert Schaller and Ray Rossi, of Pack 3035, learning how to boil an egg in a drop of water. Many Webelos dens spend a day at Fort Deaborn completing their Webelos requirements.

CHARTER DAY AND FLAG DAY OBSERVANCES

Two very important dates in June, Flag Day on June 14 and Boy Scout Charter Day on June 15, deserve the attention of every Scout unit. In an effort to revive the full meaning of Flag Day, every Cub, Scout, and Explorer in the Chicago area is urged to display the American Flag in front of his home and encourage his neighbors to do the same on June 14.

During the week of June 15 your unit should, in a way which would be appropriate, show their appreciation to their sponsoring institution.

TOGETHER PLAN CHAIRMAN NAMED

Robert M. Buddington, Vice President of Inland Steel Company, for the second year will head the Growth Program, set to kick off on a council-wide basis on October 7.

Buddington recently said, "Although we kick off 6 months from now, we are actually well under way in organizing the committee. It is our goal to organize some 255 packs, troops and explorer units as part of this plan."

The first meeting of District Organization and Extension Chairman related to the Growth Program will be held on June 10. District Training Chairman will also attend the meeting to be held in The Inland Steel Building.

SCOUT COUNCIL SERVICES

There are a number of services vital to the success of every Scout unit's program which the unit itself can not provide. These are part of the Council's operating budget and include volunteer training, activities, community service projects, camping facilities, program suggestions, as well as program planning aids.

Some 125 business executives gathered at the kickoff of Operation 100 on May 15 to hear William H. Spurgeon III (left) explain special interest Exploring. He is shown here with General Edmund C. R. Lasher, Chairman of Operation 100, and Alden G. Barber, Scout Executive, discussing the program.

Representatives of Chicago-land schools, together with leading business executives, lauded the Chicago Area Council for taking a positive stand in the area of teen-age youth programs, when William H. Spurgeon, III, a member of National Council's Explorer Committee explained the special interest explorer program.

"The plan," according to General Lasher, "is to organize 100 Explorer Specialty Posts which will be sponsored primarily by business and industry in the Chicago area and, unlike conventional types of Scouting, will draw boys from high schools

throughout the entire Chicago area. Once an industry or a business or, in some cases, a profession, has agreed to sponsor a Specialty Post, members of the Organizers Committee will visit high school guidance counselors gathering the names of boys who have a specific vocational interest allied to the industry sponsoring the Post." "For example," he continued, "one of the special interest posts is sponsored by Passavant Hospital, and draws boys interested in medicine and its related fields from throughout the Chicago area."

CAMP LEADERS' TRAINING SESSIONS TO BE HELD

Special training meetings for unit leaders who will this summer be attending the Owassippe Scout Camp with their troops will be held on 4 consecutive days at the Valley View Training Center, 6240 South County Line Road in Hinsdale, between 7:30 and 9:30 p.m. Schedule of meetings is as follows:

- Area A—June 1
- Area B—June 2
- Area C—June 3
- Area D—June 4

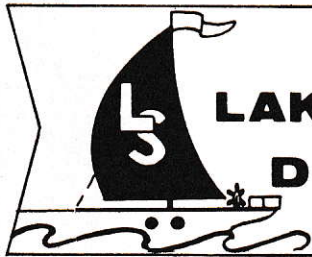

Although the actual paid reservations for camp this summer have exceeded last year's total attendance of 4,250, due to the expanded facilities, troops may still make reservations at Camp West and in some cases at the other campsites.

AMERICAN HERITAGE TO BE UNIT THEME THIS SUMMER

The Boy Scouts of America have joined with the Freedoms Foundation to launch a program designed to help boys understand and commit themselves to the principles of liberty on which our nation is founded.

Highlighting the June and July program will be the nationwide campfires on July 18 at which time every pack, troop and post is encouraged to have a campfire and unite Scouting across the United States with the National Jamboree at Valley Forge. Complete details on this nationwide activity are in the summer program quarterlies. Why not encourage potential members as well as parents to attend your units heritage campfire?

DISTRICT MEETING

This will be the first meeting for the new officers to take over and set the course for another year. We hope a large number of institutional representatives and members-at-large will be present to greet and meet them. We have several full events to talk about.

COMMISSIONER'S STAFF MEETING

We will complete plans for our Junket to camp, and will discuss coming events where we are needed and decide if we want a steak fry in the fall.

ROUNDTABLES

A good name for the Cub Theme for July would be, "Let Freedom Ring." All packs are invited to carry out special programs in July, in which Cub Scouts demonstrate their belief in Freedom.

Remember Independence Day, July 4, and at the Jamboree on July 18, the Cub Scout Promise

will also be used.

The Boy Scout Leaders will discuss the possibility of a special program to be held July 18, when all Scouts at the Jamboree will salute their brother Scouts at home and join a great nation-wide commitment to the Scout Oath and Law.

Special material for this program was given out at a previous roundtable. If you didn't receive yours, we have a few copies left.

Did you pick up your Quart-erlies at the last roundtable? If not, be sure to do so now as there will be no roundtable in July.

CAMPING

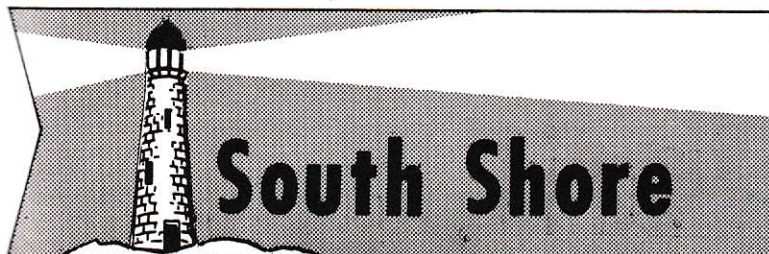

We are adding more troops each week and it looks like a record camping season. We occasionally hear of a troop that has a few boys that want to go to camp, but are unable to find a leader, and for some reason, do not choose to take advantage of our Provisional Plan, they should call Frank Higgins at BE 3-6120, and he may be able to fit them in with another unit.

1964 JAMBOREE AT VALLEY FORGE

We have 24 boys going from our district. Our goal was 20, however, some other districts have not used up their quota, therefore, if we hurry, another 3 or 4 spaces may be available to us. Call Al Broberg CO 4-8110 for complete details. When the council goal is filled, that's it, so don't delay.

ALONG THE SCOUTING TRAIL

By Alden G. Barber

This month I am devoting this space to saying thank you and well done to a group of associates.

May I do this by quoting an excerpt from a Scoutmaster's letter to Jerry Botts, Assistant Director of Camping in Charge of Near-In Camps.

"... As I sit down to write this note of thanks, the extremely pleasant memory of our visit to Camp Yorkville comes to mind. Never have we experienced such a warm welcome and the spirit of Scouting that was ever present. Although we have camped many places, I can assure you that our weekend at Yorkville will always hold a special place for us."

Assisting Jerry are the permanent rangers at each camp and the volunteer campmaster corps each weekend. Their job is to create a feeling of welcome and display a desire to help each unit. Because of the many letters and phone calls we have received, we are sure we are doing just that.

SCOUTING MOURNS AUGUSTUS' DEATH

The Boy Scouts of America are mourning the passing of Ellsworth H. Augustus, our beloved friend and President since 1959. It is entirely appropriate for every unit in the Chicago Area Council to conduct, each in their own way, a memorial program during the first week of June in remembrance of Mr. Augustus who substantially contributed to the prestige and expansion of Scouting in America.

BRIEFLY IN THE NEWS

AN INVITATION TO ADVENTURE is being extended to all Explorers and Boy Scouts over 14 to find high adventure at the Philmont Scout Ranch in Cimarron, New Mexico. For details about this or the Region Seven Canoe Base for Explorers, contact the Service Center at 782-3990.

HERITAGE CAMPFIREs WILL LIGHT NOT ONLY EVERY CORNER OF THE CHICAGO AREA COUNCIL but the whole free world on July 18. Highlighting this program will be the distribution of a facsimile of continental money to every boy in attendance. This money is to serve as a reminder of the Scouts' heritage in the Free World.

IN ORDER TO BETTER SERVE THE VOLUNTEERS, the Boy Scout Trading Post, together with all phases of the Chicago Area Council's Service Center, on June 1 will move to the 9th Floor of the 300 West Adams Street building. Despite the new address, phone numbers for the Service Center and the Trading Post will remain the same.

EXPLORER CAMPS SET

The quota of 50 Explorers has been exceeded, and at least 15 have been placed on the waiting list for the Council's first Aquatic Camp to be held at Merriam Explorer Base, beginning August 16, 1964, according to Jerry Botts, who will direct the camp. No additional applications can be taken at this time. Warren C. Powers, Director of Exploring, has indicated that there are still some reservations available with a conservation camp which will be headed by Carl Pfeiffer, retired Maryland State Forester and a veteran Scout leader. Cost for the 7 day camp is \$20, and includes food and lodging. For additional information, phone the Exploring Service at 782-3990.
